THE TALK OF STAMFORD BRIDGE

WITH four wins, a draw and 12 goals scored in six games, ours is the most impressive away record in the entire Football League, but on the theory that seeing is believing, the distinction must be hard to credit in the minds of most Chelsea followers. The vast majority of you see us only at Stamford Bridge—and with a solitary win and only seven goals scored in six League matches here, you must begin to wonder who this “other” Chelsea are who do so well away.

Two points at Blackburn last Saturday were particularly rewarding in view of the fact that our recognised Hollins-Hinton-Harris half-back line was missing. Well played, those reserves who came into the side and, of course, the “regulars” they joined. Now for Leicester City and, we hope, a display of our away form at home!

Injury Bulletin: Back to full training on Monday came Marvin Hinton (who damaged a knee against Blackpool) and John Hollins (injured calf received in last week's match in Milan). Ron Harris's ham-string is progressing satisfactorily, and Peter Houseman, who broke a toe seven weeks ago, now has his foot out of plaster and should resume training within

a week. We hope also that Bobby Tambling will be ready for training the week after next on his return from the “sunshine rest” he has been sent on with his family. You may be sure he will be listening-in at Bournemouth for our result around 5 p.m. today.

Fairs Cup Dates: The first leg of our Inter-Cities Fairs Cup second round tie against Wiener S.C. will be played in Vienna on Wednesday, November 17, and the return match at Stamford Bridge on Tuesday, November 30. Being drawn first entitled us to stage the first leg here, but because of weather hazards that are not uncommon in Austria in late November we have agreed to play the away leg first. In connection with this trip, Supporters' Club secretary Mick Mears is planning to charter an aircraft, and anyone interested should call at the Development Association Office (in the main office block) after today's match or telephone Mr. Mears (evenings only) at Howard 6901.

For the return game here on November 30, ordinary League prices will be charged with Stand tickets as follows: Blocks A & H & North Stand 7/6, B & G 10/-, C & F 12/6, D & E 15/-. Season-ticket holders are reminded that their tickets are not
