

PROGRAMME POINT

PLEASE could you print more programmes, as on quite a few occasions I have arrived at the ground just before the kick-off and found that all programmes have been sold.

Surely, for big games it would be advisable to print more programmes.

● *Only twice this season have we not printed enough programmes—against Manchester United and West Ham!*

THE SCORERS WERE . . .

AS I can only get along to matches at fairly infrequent intervals, I may have more difficulty than many other spectators in following the details of the game.

Would it not be possible to announce the scorers' names? At the moment I have to buy a paper to be absolutely certain who has put the ball in the net, and this irritates me.

● *Source of irritation removed—we have arranged for goalscorers to be announced at half-time and at the end of each game.*

DO YOU REMEMBER . . . ?

THE end of the year is a time for looking back as well as forward, and this picture is sure to bring a touch of nostalgia to older supporters who remember Chelsea between the wars.

From 1919-23 our centre-forward was England international Jack Cock. Succeeding him in our side from 1923-32 was Scotland's Andy Wilson. And as you can see from the photograph (Andy on the left) taken at a recent home match, they are, as spectators, still as Chelsea-minded as ever they were in those long-ago days when they wore the Royal Blue.
