## THIS MATCH LAST SEASON

PLAYED on August 21—the corresponding Saturday—and when leading 2-0 after 24 minutes (Baldwin scored the first and Weller the second) we seemed to be heading for a good win after losing the season's first two matches.

What was still two-nil at half-time became 2-2 no more than six minutes into the second half. Lee scored both, the first a penalty for a foul on himself and the second three minutes later. Things looked even worse for us when the bandaged Davies headed in from Lee's pass, but offside was given . . . and we held on to our first point of the season.
