

## WHY WE NEED TWO POINTS OFF STOKE TONIGHT

When the Stoke City team photograph on page 16 was taken at the start of the season, George Eastham was missing. He was still in South Africa. But he put himself "in the picture" when we met Stoke at Wembley at the beginning of last month—this was his goal that took the League Cup to the Potteries at our expense.

Disappointment for us . . . great joy for the Stoke players as they go on the Wembley lap of honour. Added to our congratulations are best wishes for their entry into European football next season. And it could help us join them in the 1972-73 U.E.F.A. Cup if we took two points off them tonight!
